“ *Dearest Tenia and Family:*

I will always remember how Sheila's kind words of welcome made me feel at my wedding on the evening Friday evening of December 18, 1992...when I married Kenny Ray her 1st double cousin!

The late Mother Maya Angelou quote is so very true. She states that

-

"I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel."

May your beloved Mother, Sister, Aunt, Cousin, and Best Friend Sheila Rest In Peace...until we meet UP with her again. Amen.

Much Love To All.

“ *Cousin Sheila is the life of the family events.*

Even as an adult...she always reminded me...that at age three...I wanted to be a vacuum. Then, at four age...the next family reunion...I passed again...when I wanted to be an airplane...when I grew. Great memories...

*Sleep In Peace Cousin Sheila
You will always be remembered!*
