“*Cousin Sheila was a Rose. She was in love with the lord. She was kind, loving, creative, and very special to me. If I needed someone to talk to, she always had an open ear, and words of wisdom, and biblical verse to quote. Rest in God's busson.*

“ I was saddened to hear of Ms. Farley's passing. She was a neighbor for 30 years and was always kind to my mother.

“ My condolences to the dear family and friends of our lovely sister, Mrs. Sheila Farley. I am so sorry for your loss and that of her church family. Sheila and I attended the former Full Gospel A.M.E. Zion Church (now From the Heart Church Ministries) and served in ministries like the Community Outreach Ministry together. Time flies by yet, the fondest memories of Sheila remain. I remember Sheila coming to my house one evening and she was so energetic and happy. She wanted to sell me a vacuum shampooer - which she certainly did - as she had recently started on a new business adventure. Sheila put time in the demonstration and her bubbly spirit and joyful smiles were the icing on the cake! She had recently married at the time, if my memory serves me correctly. Oh boy..., the joyous stories about that, lol. Blessings family ... We will not always mourn. May our God of comfort, grace, and peace keep you all in His loving care and protection. I love you all 🙏🌈🌸🌸

My sincere condolences and prayers to the family and friends at this time of sorrow as we all mourn the loss of our beloved sister and friend Shiela Farley. I met Sheila in The Community Outreach Ministry at Full Gospel AME church. She was such a forerunner for Christ having an adamant and radical spirit about sharing her faith and refused to compromise. If she did not see evidence in your walk with Christ, she was always ready to share and give you a track. We both sort of had that in common and became close with kindred spirits.

Our relationship begin to grow beyond the church and we became close friends. Sheila and I enjoyed making our homes beautiful and had lots of fun doing landscaping and home interior decorating together. I also remember Sheila having excellent administrative and organizational skills. She was definitely gifted in that area too. Unfortunately, she often had struggles with her health, but was determined to fight the good fight of faith, no matter what. She would often share how her supporting, loving Husband Drake was her angel from God to help her through her difficult times. He was always there for her in every way possible, never wavering.

I will surely miss her optimistic attitude, her laughter and passion for God. This year she spent her birthday with Jesus! She was absent from the body but present with the Lord! Hallelujah, glory to God! No more suffering and finally at peace. I thank God for every remembrance of my friend. She will forever live in my heart. ❤️🙏🌸
