Sis Sheila for some reason you came to my mind on this historic Inaugural Day. I miss your kind and gentle demeanor. You were always faithful and giving of your service and your smile. You were not puffed up, but humble. Thank you for being on this earth and rest in Heaven until we meet again. Love, Sis Andrea Kelly.

Sending Condolences to the family of our beloved sister Sheila. She was a true "Rain or Shine"- her smile, her laugh, her devotions and her praise was genuine. Always willing to work and assist in any capacity. Whatever she committed to do, she did it in the spirit of love, grace and gentleness. May the God of all Comfort carry you all during this difficult season, but know with a surety that our dear sister is save in the arms of Jesus.
