“ Sending my deepest condolences to the entire family, AFGE Local 32 family and friends and to Synder and Associates. Sherman and I worked together at OPM during most of my 35 years of Federal service. He also helped me with aggrieviences, unfair personnel practices, and made me knowledgeable on classification appeals, FLSA, FLMA, and so many other cases and inquiries that were handled through AFGE Local 32. His relationship with Synder & Associates Law Firm. I often told him that he was a walking Attorney who may not had the degree but had the specialized experience. I even watched him get defeated during challenges times when confusion of all sort was beyond his control. He never gave up and continue to fight for his rights. A few months before I had retired, I saw Sherman on G Street about to go play his numbers, driving his son's car. He noticed that I was so tired from a busy day at work and gave me a riide to where my car was parked at the train station in Capitol Heights, Maryland. Later that night Sherman had hit the number, told me to play it and I didn't. One winter day, as I was leaving work, snow on the ground. Sherman saw me and said, "Girl didn't I tell you to not cut your hair?:" He was so mad at me that he didn't give me a ride up to the train station. A couple of days later I saw him coming out of the snack bar, had my hair out and he started laughing so hard and told me he was so sorry for what he did. I said, Sherman I will never cut my hair again. Duuh didn't I tell you that? Precious memories I will forever hold in my heart. This touchdown by God almighty pinched my heart a little and I know he is probably saying, Girl stop crying, my mission here on earth is done. Well said, well done good and faithful servant. Rest in Peace, Rest in Heaven. Love you Sherman.

“ Sherman,

You were my brother in arms. We fought the good fights together at OPM and within AFGE. You showed me true friendship, something I will never forget. Rest in Peace, my brother.
