

Mrs. Shirley A. Lane

May 15, 1937 - January 10, 2023

The Life of Shirley A. Lane

Shirley Ann Lane was born on May 15, 1937, in Goldsboro, N.C. to the Late Jessie Herring Sr. and the late Pearl Matthews Herring. Shirley was the third child of seven siblings, all who have passed on before her: the Apostle Hilda Flowers Cooper, Jessie Herring, Jr., Earl Herring, Raymond Herring, Nathaniel Herring and Hose Herring. Shirley was married to Eddie Lane, also of Goldsboro, N.C. on July 7th, 1956, until his death on June 27th, 1973. Shirley and Eddie had two children, a son, Ronald Anthony Lane and a daughter, Denise Michelle (Heidi) Lane Porter. Shirley graduated from Dillard High School in Goldsboro, N.C. where she was an honor roll student. She continued her education at Delaware State University and later attended North Carolina A & T State University where she was a proud Aggie and earned a B.S. degree in Business Administration in 1978. Shirley went on to obtain her Master's degree in Business Administration from Michigan State University where she also graduated with honors. During the entire time that she pursued her education she continued to be an employed young widow while raising her family. To say that she was driven was an understatement. She was committed to her family and truly valued education.

Shirley was a faithful civil servant and proudly worked for the Federal

Government for over 35 years. Her last employment was with the Defense Logistics Agency (DLA) where she worked for 15 years prior to her retirement in January 1995. Shirley continued to be active in her community after her retirement. She would tutor underprivileged children, working with them in building up their self-esteem and reading skills. She volunteered her time in her community for whatever was required. She also served as a Deaconess in several churches and was an official member of Greater Mt Calvary Church in Washington, D.C. Shirley also served as President of the National Association of Federal Retirees for the D.C. Chapter. Shirley was a shining example of hard work and determination. She was dedicated to her family and friends and was known to offer her support to family members as well as helping strangers. Shirley had an affinity for children and the elderly. Most of the neighborhood, wherever she would live, would refer to her as "Ma Lane", a title she answered to proudly. She was a true matriarch and a community leader. Those that knew her knew she spoke her mind and you never had to guess how she felt about things. We will miss her great sense of humor, her laughter, her smile but most of all we will miss her unconditional love.

Those left to cherish the memories of Shirley's love are son, Ronald Lane (Michelle); daughter, Denise Porter (Ron); 5 grandchildren, Courtney Bell, Ayaz Porter, Ayana Porter, Miyanna Lane (deceased) and Jadon Lane; 3 great grandchildren, Marquis Bell, Corinne Bell and Marcus Bell Jr. She is also survived by a host of other family members and friends.

“ Grandma Shirley was always a loving and caring person towards my sister Ayana and I. I remember when we would sleep over in her apartment as kids on the occasional weekend visits. She was always spoiling us with gifts and candy when we were small and loved taking us around Washington, DC where she was living at the time. She tried her best to get us into church and build a strong spiritual foundation for the two of us, whether or not it worked is another story though. It will be weird to visit the area without stopping in to see her and catch up anymore. While it does hurt that she has passed, I know she is at peace and in a better place now. Rest in Peace Grandma Shirley.

I loved the way Mom called Ayaz "Mr. Professor" because he was so smart. She also called him the "old shoe" as she felt he was an old soul... She was a great grandmother!

“ *Our sincere condolences to the Lane family. Ron and Heidi, your mother was a beautiful and warm person. I always enjoyed our talks with her when we were there at Ron and Mickey's. I especially remember her stories about growing up as a girl. May God comfort you and your family in your time of grief. Reginald and Almera Carroll.*

“ I will always remember Mother Lane as a very special, loving, supporting, and encouraging woman. I am truly thankful and grateful for her words of wisdom, guidance, and unconditional love. Heidi and Ronnie are very blessed and fortunate to have a mother that prepared them for the various challenges they would encounter in life, and to be successful and supportive siblings, spouses, parents, friends, and Christain's. Thank you, Lord, for sharing Mother Lane with so many people!!!

“ I remember first meeting Mother Lane in 1991 and her always cooking up a big spread of delicious food for the family and friends during Thanksgiving & Christmas Holidays and always being there to help family members and others during those hard times in need. Her taking care of Uncle Wilbert, her brother Nett, Grandma Pearl, and others. She was always very witty and loved to laugh and shared various pearls of wisdom and helpful advice. I'll miss her laughter and being able to talk with her. I'm happy to know she lived a full life and pray that her soul is resting in heaven while her loving memory lives on with us. We love you Mother Lane and are grateful for your caring, love and support throughout the years. May God bless your soul in peaceful heavenly bliss! Much love - Ron Porter aka Chef Boy Ardee.

“ A Poem for Mommy by Heidi Lane 1/10/2023

*Thank you for adopting me so I wasn't alone
I know you did your best to create a home
Ill health left you a shell of what could have been
And yet you stayed strong, striving to win
When Daddy died, I thought you would too
But your resilience shined, and God answered you
You went on to achieve fantastic things
As you took care of your family, especially me
Life was hard and then it kicked you again
But you kept giving love and made it your friend
Dementia ravaged your mind and your body too
Yet you found laughter and your strength came through
You left today to be happy again
So happy the suffering has drawn to an end
We remember you now as you pass by
Loving and laughing and telling everyone not to cry
You're at peace in heaven where you wanted to be
with all your family waiting there for thee...*
