“ *My deepest condolences to the family and friends. The blood of Jesus Christ paid the ultimate sacrifice for all mankind. In bible times we can really appreciate how Jesus demonstrated his love for mankind when he resurrected Lazarus, Jairus daughter, and the widow's son. John 5:28-29: Do not be amazed at this, for the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, and those who practiced vile things to a resurrection of judgment. While we await this grand prophecy to be fulfilled bringing mankind happiness in seeing their loved ones again let the Father of tender mercies comfort you and your family. 2 Cor 1:3,4.*

“ Auntie Shirley,

*Thank you for the life long love and lessons and laughter. I miss you so much already. We have so many memories like your fried chicken and potato salad and our trips to the Smithsonian to watch Uncle Ernie at work. Remember that time Tikki hopped over the electric fence running from the pigs because Nesto tricked her and we all laughed? You weren't like a second mom to me on daddy's side, you were the second mom. Your walk with the Lord, your grace and your tenacity are just a few things that we all are blessed to have watched you live and have as a role model. Your world travels and the bling in your eye when you finished a project or a poem, and some sweet tea, will always be remembered. You were an angel on Earth & now you really are one, with Jesus. Tikki and Nesto—you guys are my heart. Only we know all of the times growing up that we all shared as a family. I need you to stay strong and keep your trust in the Lord. Nesto, I need you to know, little cousin is lifting you in prayer and I'll see you guys soon. Love always. Mom lost a best friend and sister in law but Heaven gained an angel with wings. We love you very much and we are in prayer and service with you. God of all power, comfort, grant peace to, strengthen and sustain the entire family in Jesus' Nane. God forever bless.*
