“ Shon, my fun loving step sister, I have many fond memories of you. One in particular is when we were young my mom use to play one of your favorite songs by Betty Wright; "Tonight is the Night" had the red light on in the living room on E Street 😊👉. She would say Shon you know what she's talking about? You would laugh so hard and say Yes! And you would sing the words and do your little dance. We had so much fun then. Although I'm in the hospital right now dealing with my emergency situation, I'm thinking and carrying all of my fun memories of you in my heart as I try to wrap my head around you being in heaven. Love forever and I'll see you on the other side sister friend 💕💕💕💕💕 Peaches

“ Sissy, I am going to miss you so much. I remember we used to laugh at everyone and everything. I miss us being silly and talking about the family trip. You were so looking forward to our family vacation to Florida in August. It’s just not going to be the same. I know you didn’t mean it but this one broke my heart in pieces. I will cherish the memory of you forever. Again, the calls for death are always for the best. Allah doesn’t make mistakes. I love you with my whole heart....rest in Paradise sissy....Ty is going to miss fussing with u 😂
