

Ms. Shunder Marie Wilson

August 9, 1961 - June 29, 2024

On Saturday, June 29, 2024, God gave Shunder (Shonda) Marie Wilson her wings to fly home to joy, peace, and happiness.

Shunder was born August 09, 1961, in Washington DC, and raised in Capital Heights/Seat Pleasant, MD, to the late Barbara Ann Coates and Elmer G. Wilson. Shunder attended school at PG County public schools. Shunder worked several jobs before entering the Healthcare field in the late 1990s. She became a Certified Nursing Assistant at Prince George's General Hospital, now known as the University of MD Capital Region Medical Center. She also worked part-time as a private-duty CNA for a host of clients. She loved her patients like they were a part of her family.

Shunder loved her family, she was the life of the party at all gatherings. She could talk to anyone because she did not meet strangers, she met lifelong friends who also became a part of her life. She was very direct in what she said, but always out of love. She loved to dance and take pictures of everyone. She had a pure and genuine heart. She touched a lot of lives.

Shunder is survived by her 5 siblings: Gregory (Allen), James (KK), Denise (Niecy), Phillip (Phil), and Tyrone; 2 late brothers, Paul, and Jeffrey (Jeff); 7 nieces and nephews: Nikkyla, Kevin, Pierre, Nakia (Kia), De'Shon Sr., Destiny, and Nyaisha (Nikki); 8 great nieces and nephews: Noah, De'Shon Jr. (DJ),

Jessi, Kensli, Nylan, Justice, Christopher, and Wesley. The extended family of love: John, Yalonda (Yodi), Marche' (Che'), and Antonio (Tony), along with a host of family and friends.

We are deeply saddened by the loss of our "Shonda" She will be greatly missed.

“ Mr. David Clark Sr., and family (Liz Harris, David Jr., Diana Thompson, Lawrence Lucas) extend our deepest condolences to the family of Ms. Shunder Wilson. We share in your loss and will forever remember Shunder as a kind, skilled, and compassionate member of the team that helped care for Mr. Clark for many years. Shunder was not 'like' family, but was a much loved part of our family. I (Liz) will miss our weekly conversations about family, fashion, car trouble, the news, etc., as we went about getting 'Dad' ready for the day. Shunder was such a blessing to us...a Godsend. We will remember and miss her always. We continue to pray for your comfort and peace.

“ I will miss you Shonda, I will miss you calling to talk to your NoNo all the time (he misses you as well) , I will miss you calling me asking me 50 million times how to make my queso dip and if I can make you your own bowl for the gatherings. I'll miss asking you when can I have your shoes and purses. You took me everywhere with you when I was younger telling everyone “this my snuggles” I hated it lol, we definitely bumped heads all the time because our attitudes and smart mouths were so similar (lol). You will be deeply missed at the family functions. I wont say I lost someone else, I will say I gained another beautiful angel.

Love you always *Snuggles* Kia ❤️❤️

“ Please accept my deepest condolences. I met Shunder through my brother some years ago and it was a pleasure knowing her . We shared August birthdays and I was planning to send her greetings next month.

One talent she had that I admired was her ability to be neat and organized. She was a hard working health care provider who was committed to her patients.

Praying for God's comfort and strength for the family.
