“ *TRIBUTE TRIBUTE Dear Marcus and Armie, my deepest condolences to you both. I will truly miss the presence of your mom, my dear sistah-friend of 47 years. Stella Mae's strengths far surpassed any of the weaknesses that we all have. She was loving, loyal, spiritual, caring, friendly, grateful, helpful, unpretentious, and wise from life's experiences. Most of all, so long as memory lasts, I will never forget her kindness and kindnesses. As Thomas Campbell wrote: "To live in the hearts we leave behind is not to die."*

“ *Dear Stella,
You are at peace. My memories of Stella are rich because she was such a loving person. She always greeted me with a smile and outstretched arms for a hug. When I was little and would play in the back at Envoy and she was home, she would wave. Every time I would see her in the neighborhood we always stopped and talked - even when I was just a little girl. She would always make sure we were attending the Christmas parties or any event that the Envoy hosted in the lobby. She was just an overall fun loving person. If you knew Stella, you knew how much she loved her boys, Marcus and Amie, and they loved her back. I was definitely shocked by the news but know that her suffering has ceased. RIEP Stella, you will always be in my memories.*

Marcus and Annie, I pray that your heart and soul will find peace and comfort during this challenging time. Know that you are surrounded by love and you are never alone. God is always with you.

Your Mom was a loving and caring woman. She loved you and we loved you as Envoy babies and young adults. So many great memories while living in the Envoy. Hang in there. Take one step at a time. 🙏💜

Dear Marcus and Arnie so sorry to hear about the passing of your dear mother, Stella. Some memories are irreplaceable and I consider the ones I have of your mother to be among them. A brilliant candle was extinguished on earth but reignites in Heaven. RIP.
