“ Bianca and I send our deepest condolences to the family. Steve and I served proudly in the USAF. We worked together as Duty Officers at the Bolling AFB NCO Club and for the past decade as volunteers with the homeless shelter. He was a good man and friend and will be truly missed. His memory and legacy will be carried on by those he touched and love. May God continue to bless and watch over his family and give them strength during this time of bereavement.

With a heavy heart and a song, I say farewell to my cousin. We were raised like brother and sister, in Philadelphia (along with my 3 brothers and Steve's younger brother). So many times we even resided in the same home. That's what family is about. I will forever be grateful, being the only girl, for the precious moments. For all the lives he touched, I am quite satisfied to know he Rests In Paradise for God, "Looked Beyond All. HIS Faults and saw his needs. Love ya'❤️💙❤️🙏

To the man who helped raise me and was hard about doing so, My Uncle Steve...I will miss you and I will not forget our last conversation. Im happy that our very last conversation went the way it did, with you forgiving me and telling me You Loved me. Rest Easy, til I see you again.
