

## Mr Steven Anthony Scott

July 7, 1961 - March 1, 2021

Steven Anthony Scott was born on July 7, 1961 in Washington, DC, to the late Donald and Jeanette Scott. The family lived all over the world before settling in Prince George's County, Maryland.

Steven played high school football, loved sports, and was a true Washington Football team fan.

Steven or "Scotty" as he was fondly known attended Fayetteville State University in North Carolina. Professionally, Steven worked in accounting for many years, his last job for over twenty years was at Howard Hughes Medical Institute.

Steven had many lifelong friendships. He was known for his sense of humor and ability to make others laugh.

Steven is survived by his children, Steven Scott, Jervelle Scott Williams, his siblings; Paul, Theresa, and Donna, and a host of uncles, aunts, nieces, nephews, cousins, and friends.

Steven was one of a kind and lived an incredibly rich and rewarding life. He is loved and will be sorely missed by all of us here in the US and his family and friends across the pond.

“ *My sincere condolences I offer to the family on behalf of myself and the entire Smith / Dickerson family. Steven and I didn't speak regularly but we did keep in touch. He was good about checking in with me every now and then, and kept in contact with my mom, who loved him dearly. I will always remember his ability to make you laugh even when you didn't want to, with his quick wit and humor, but he was also sensitive and caring. When my dad passed he came and spent the entire day with my mom and I. We laughed, argued and caught up just like old times! We will surely miss Steve, but I'm grateful that this life allowed our paths to cross as a lot of good came out of our friendship. May he now rest peacefully in the master's arms alongside his parents. May the family's tears turn into years of laughter and smiles and may his memory provide you comfort.*

*Peace, love and continued blessings,*

“ *R.I.P my brother. My heart is full of sorrow but I will lean on his understanding and not mine to get through my time of sorrow. You were an unbelievable friend for 45 years one that I could always depend on. I'm sorry that you had to endure the pain that you went through but because of God's promise I know that you are pain-free now. My brother go forth and receive your new body and save a place in Heaven for me. My deepest condolences go out to the entire Scott family. May God bless you all in your time of bereavement.*
