“ Good afternoon Butler family I am truly sorry for your loss. Terri and I were childhood friends. Our families lived around the corner from each other all of our childhood. We attended the same elementary, Jr. High, and High School. Terri, Linda Gwen and I were cheerleaders together in Jr. High and High School. I have so many wonderful memories of our childhood. Your family will be in my prayers during this time of tremendous loss. Give your voice to God and know that he is always with you.

Respectfully
