“ *To Our Beloved Bethea/Nicholson Family*

Our hearts were deeply saddened when we learned that Mother Thelma Bethea passed away. We were later comforted by God's Holy Word which reminded us that she was called from labor to reward.

We can now celebrate and rejoice in her life and legacy when we reflect on the love, compassion, and wisdom that she shared with each of us. Your church family stands with you, and by you as you mourn the loss of the loving woman of God, devoted wife, mother, grandmother, great grandmother, and friend. When you want her near, just pray and allow the God of all comfort to comfort you. He will hear you faintest cry and He'll answer by and by. As the chorus of Mother Bethea's favorite song says, "He's Sweet I Know."

May God bless you and keep you is our prayer.
