“ *Mommy, I'm here thinking of you. I miss you soooooo much!!! I know that you're in a better place but it still hurts. I will forever miss our conversations, your jokes, your beautiful face and smile and always the sweetest voice when you would say ok baby, yes baby, I love you baby... Anything with baby in it. Your voice was always so soothing. I loved to hear you say that. We're so blessed that God gave you to us to be our mom. You were the best mother, grandmother, sister, and aunt. Everyone that knew you always had a wonderful experience with you one way or another. I'm so glad that you're not in pain anymore. You're walking those streets of gold now. Give my love to the rest of the family and I will see you again and I love you to no end!!*

*Love Always,  
Leslie*

“ *Sis. Thelma Eubanks was an angel here on earth in her on unique smiling way. Her wisdom and faith were always present in our conversation. I truly got to know her in our Sunset Beach travel together in support of our beloved Bishop. She always shared that welcoming smile just in passing her here or there truly "Blessed By The Best". She treasury her children with Love & Faith in every way. Love & Respect, Sis. Madeline Saunders*
