“ *Sending prayers to the Baucum family during this time. My parents (The Kellys) have known John and Thelma since before I was born. Thelma was always so sweet to me and she even traveled to Charlotte, NC to see me get married. She will definitely be missed, however, she will now be reunited with John. May you Rest In Peace.*

“Where do I begin? Remembering her taking care of us at Vermont Avenue as a nursery nurse.. Or always helping out the many youth missionary events and missions. Or simply being at nearly every event dealing with the youth of Vermont Avenue always cheering us on. Every time she saw me she would yell “there’s my boy!” Growing up we all knew her name, but what we all decided to call her was grandma. It came naturally because she was definitely the sweetest, caring, loving , positive, supportive persons you will ever meet. And we love her for it. People like this remind you that God is love , every time they enter a room.
