“ I remember meeting up at Teresa and Howard's house in Clinton MD to have a family gathering for the Edwards' crew! It was always fun and it would last until! She was authentically real and she accepted you as you were! I look back on times like these and will remember that although Teresa is absent with us, she is present with our Savior Jesus Christ and those who have gone on before her! I want the family to know that the Edwards' family in NY and LI love them! We look forward to seeing you in NY for this year's family reunion! All are welcome to attend! Details to follow. We love you Howard and family. If you need anything, we are a phone call away. Love April Edwards-Coleman and family!

“ Theresa will truly be missed. She started out as a customer who loved to read so much she became an employee. We became close friends in 1996. My prayers are with the family.
