“ *I just found Theresa's obituary online and am so sorry at her passing. We worked together for the Department of the Navy in the late 1960s and early 1970s. I loved Theresa and her mother Mary Wilson, and can never eat fried catfish without thinking of Mrs. Wilson! Please accept my deepest sympathies at your loss and know that Theresa will continue to live in the hearts of those of us who remember her.*

“ *The whole fraternity mourns at the loss of our sister Theresa. She was always upbeat, very dynamic, and added live and love to our meetings. We will miss her, and send our condolences to her family and friends.*
