“ *Mac, Mac, Mac,  
It's time for you to rest!!! We met at DC Jail. You turned me on to Oasis Methadone Clinic. The endless advice you had for any and every scenario. I will try to follow accordingly. You went to pay "your burial bill" each payday. I know your family had little to do for your final ceremony. Well, no more rides in the Lincoln ..... the PA Profession lost a great one. Heaven gained an Angel. Please look out for me. Nancy PA, Lolanda PA, Vera BSN, and myself will keep your memory alive. Rest Well my friend, CHEREE JAMISON PA-C*

“ Mac, Mac, Mac 😞. My colleague and friend. I will forever retain all of your advice. You always had an answer for all situations. We hustled at DC Jail and the methadone clinic . At least I would call you every several months. We spoke in June and you said you was prepared for what was ahead. At the methadone clinic, you were going to pay your burial bill every payday. I know you have your family prepared. They don't have to do my much. My only regret is not having (making) the time to visit you this summer. Another great PA now an Angel. Please watch over me and guide me. Me, Nancy, Vera, and Lolanda will miss you much. I love you my fellow colleague. Sleep well- CHEREE Jamison
