“ *I remember Tim when he was coming to Freegospel Deliverance Temple and he would be praising God. He would often go up for prayer for healing but what I remember most was when he would come give his testimony of praise to God about how He had healed his body. He was always pleasant to be around and would come to participate or support the youth ministry programs and services. I also remember his strength as he went through the trials in his health and how he would praise God inspire of it all. My prayers and condolences to his mom Tanya and family as they grieve and celebrate Tim's life. Love you and RIH until we see you again. ❤️🙏*
