“ I think of Tirrell every time I have to report for work. Tirrell would come upstairs and greet me with "Hey purple hair" and we would spend time talking. He knew stat facts about football and basketball and made me laugh recently when he started naming television news anchors, who knew? He would tell me 'Pops (his Dad) came over today' and brought me this or that. He'd call his Dad several times a day (and sometimes Mom) and his Dad / Parents were always receptive of their son.

I would encourage Tirrell to 'do something' with himself because he was too smart not to. Tirrell is missed and loved.
