“ *My heart is heavy of the departure of my First BORN GRAND CHILD Tonia. I remember the day you were born and the joy your birth brought to the family. I remember hearing your voice soft spoken and tender heart. I remember like yesterday you would make cakes at the house We had a sweet tooth honey (Lol)and you would make a bee line to my house after school and a trip to SC of where you really enjoyed those home cooked meals and being around your Great grand mother Curlee (104 yrs young) and the smile that would be on your face when you would climb the fence a true wonderful memory of my first BORN GRAND CHILD. Tonia there are so many wonderful memories of you. I will carry you in my heart Loved Forever your Loving Grand Mother Mrs. Mary Alston*
