“ The moment that you left me, my heart was split in two; one side was filled with memories; the other side died with you. I often lay awake at night when the world is fast asleep, and take a walk down memory lane with tears upon my cheek. Remembering you is easy, I do it every day, but missing you is a heartache that never goes away. I hold you tightly within my heart and there you will remain; you see life has gone on without you, but my life will never be the same 😞
