“ *Choosing 1 memory would be crazy!!! I'm so sad that you are gone. You were worried about me and I should've been more worried about you. Just a few days before you passed we talked and I'm so happy I got to be there for you when you called on me and I'm so thankful that I told you I Love You! Please let them know how much we miss them down here and know that you are truly truly gonna be missed. You could NEVER be forgotten!!! We Love you Joe. The Griffith-Payton Family*

“ *The fact that you & my mom was thick as thieves and you never showed us nothing different. We were you nieces and nephews. Anything we needed and couldn't get you were there. When I got pregnant you helped me a lot and used to call my mom to see if I was craving something in particular I love you UNK! This jus don't seem real . You gotta tell ma we love her it's only right . GONE BUT NEVER WILL BE FORGOTTEN*

“ I remember when my husband was driving my car and I was at work so he had to use Joe's vehicle for something so he switched cars with him and Joe had my car when I got off work we went to pick my car up and Joe said oh I wash your car he said couldn't stand to look at it anymore because it was so dirty Lol. Joe was just that type of person very soft spoken and had the biggest ❤️ R.I.P. God has you in his arms now you are safe!! We both is going to miss you! Our Condolences to the Stinnie family!
