“ A Message to My Husband

At 1:06am on November 14, 2016 I received the call that God decided to call you home.

You may not have known but long ago, I prayed for you. I prayed for you even before I knew you. I prayed to God to send me a man who would love me unconditionally and love and accept my Children and God blessed me with you.

I thank God for the time that we did have together, though for me it was too short. I want to thank you Baby for loving me & my three children and for raising them as your own.

I will always be grateful for the love that you gave and the sacrifices that you made for your family! You were definitely One of a Kind and I will always love you. I miss you so much already.. 19 years together.. 17 1/2 years of marriage and in the blink of an eye time went by and now you're gone.

My heart is broken but I know you are at peace now. Reunited with your Mom and all your loved ones who went before you.

Tell my Daddy I said Hi and I love and miss him too!

I know you're watching over us still being you.

Love surpasses the boundaries of Death....

Love Always,

Melissa
