“ I met my friend 11 years ago during a most stressful time. Each day he offered a positive affirmation about life with biblical quotes. He used to say to me “ you never know what you are going to do when you get up in the morning”. That started because I would always have something for him to help me with. I will miss my friend and neighbor— the long talks and short walks. Thanks for the memories as you now know what you are going to do each morning— fly with the angels. God bless.
