“ Sending my prayers and love to the family of Sister Washington (aka MomMom Washington). Sister Washington was a blessing to me and my family while my youngest daughter, Jasmine, attended Precious Jewels Daycare. The 5 years that Jasmine spent under her tutelage, prepared her for the success that she achieved both while obtaining her education and facing life challenges. Sister Washington partnered with me as we instilled the love of God and the importance of prayer in Jasmine. To this day, Jasmine will immediately seek God for answers and she has the expectation that God will answer. I could not have asked for a better person to provide love, care and attention to my precious jewel! I know that she will be missed by her family and friends, especially my mom. Brother Washington and girls, I know that God is a comforter and He will ease the pain that you are feeling at this time.
Love, Deneen Langley, Nicole, Deanna and Jasmine Worrell
