“ *My greatest condolences to the family of Mrs Virginia Cade . I just want you to know that for the past 3 years I had the privilege of taking care of her and it was a joy. She would often say things that make me laugh. Most times I couldn't hear her because she spoke so low , but other time she would speak very clearly. On Thursday evening while she was in the hospital and I was getting ready to leave I told her that I was leaving and I would see her tomorrow and although she wasn't talking she nod her head not in agreement with me.*

*I just thought she wanted me to stay, that was the last and final reaction. will sure missed her.*

“ Heavenly Father, I come before You with a heart heavy with longing and love. I remember my dear sister who now rests in Your heavenly embrace. Lord, Your love is transformative, turning our grief into hope. You are the source of all comfort and the healer of broken hearts.

In Your infinite mercy, grant me the strength to carry on, holding her memory close. Let Your love flow through me, filling the void with peace. Father, I ask You to wrap my sister in Your eternal light. May she find rest and joy in Your presence. Help me to feel Your love as a constant reminder of her, knowing she is safe with You. Let Your grace be my guide through these times of sorrow. Thank You, Lord, for the gift of her life and the love we shared. Keep her spirit alive in my heart, until we meet again. In Jesus' precious name, I pray. Amen.
