“ *My deepest sympathy to Virginia's family. We grew up as next door neighbors. She was always kind and sharing. Rest in peace my friend.*

“ *I'm going to miss my beloved cousin. Most of my memories are from our childhood. She use to babysit me when our family's attended partys or took trips. She was an "entertainer" and always kept me occupied with fun games and food. She loved to cook. We also shared the same birthday. She was a wonderful person, and would do almost anything to help others, her family, and friends. As time pasted our lives went into different directions but everytime we saw each other it was as if we had never loss track of time. I love her and I will miss her ❤️.*
