

WALLACE ROBERT RANDALL

July 15, 1957 - September 11, 2025

Wallace Robert Randall of Oxon Hill, Maryland, was born on July 15, 1957, to Robert Randall and Zella Simmons, who both preceded him in death. As we celebrate his life and legacy, we fondly remember him as a beloved, caring, and devoted husband, father, and patriarch of his family. As a dedicated public servant in the field of law enforcement for most of his life, and a man of great faith in God, Wallace departed this life peacefully on September 11, 2025 (9/11). He may be gone, but he will never be forgotten. He will always be remembered as wise and witty, innovative and intuitive, and as a man of God who loved, embraced, and shared his gift as a talented musician. He touched countless lives with his warmth, wisdom, and unwavering kindness. He is survived by his beloved wife, Nancy Link Randall, his seven children, his three sisters, a host of family members, extended family, friends, and loved ones, and he leaves a legacy of compassion that will live on in the hearts of all who knew him. A celebration of his life will be held at Dupont Park Seventh-day Adventist Church, 3985 Massachusetts Avenue, SE, Washington, DC, on October 10, 2025, Visitation between 10:00 AM until time of Funeral Service at 11:00 AM.

“ Dear dad all that’s left are pictures folded into memories imprinted on my heart 💔. I wish you could have stayed longer but I would be selfish not to understand that our Lord God needed you more. You have truly fought a good fight, finish the race and kept the faith! Thank you for saving me and my siblings ❤️. You always showed up and never turned your back on us! You love grandma Zella, Your children, your wife, your brothers, sisters, nieces, nephews, cousins, friends and tremendous loved your grandchildren and great grandchildren! Thank you for the deep love you had for my mother! Thank you for all of my siblings, the legacy and generations. You were fruitful and multiplied and that is a blessing 🙏. Everyone remembers you as wise, funny, musician, singer, police, entrepreneur, motivator, IT guru, blue hat, photographer, foot races, push ups challenges, swimmer, 1D, baby shirt carrier, Et finger, the stair climb and shirt pull dance, the long talks, long rides, integrations, chef Waz, your music bands, blasting music on Gales street, wrestling matches with grandkids, Super Mario and Zelda! You were my hero, best bud and first love! We gutted fish, hooked worms, shop for antiques like guns, brass cups and crystal glasses, we made PepBoyz and Hechinger runs to fix cars and build things, painted rooms, caught birds, unclogged toilets, capped wires, cooked your best cuisines, tours of DC, parades, hung out at police stations, riding in your cop cars, dancing with you with my feet on top of yours! You always told me how proud you were of me and I wore it as a badge of honor for our family! You were the best dad a girl could ever ask for! You gave your all and showed up every moment every step of the way! I’m gonna miss seeing you at holidays, birthdays, cookouts and all the special occasions! Thank you for always giving me a birthday card every year of my life ☐. I cherished them and every moment I got to spend with you! You knew you could call on me for anything and I would be there! I had your back 100 I’m gonna miss your smile, the fist bumps and forehead kisses! Most of all I will miss you ☐. I love you always dad forever, R.I.P., Love Rona ❤️💔☐
