“ *Walter was a wonderful friend I met way back in high school (Ballou Knights Class of '87 in DC). He was a gentleman back then and grew into an even more wonderful & respectable man. My heart is broken to have learned so late of his passing. To his family: Thank you for the wonderful gift that Walter was to the world. I will miss his warm smile & positive spirit! May the Lord Bless You 🙏*

“ *I met Walter when we worked a trip at Continental and saw him often in passing when we were at work. I just found out today about his passing. I always thought of him as a kind person and such a gentleman. To the family, I am so sorry for your loss. May God's peace peace comfort you as only He can.*
