“ *Rhonda, Patrica and the Robinson Family,*

My dear friends, please accept my sincere condolences on the loss of your father. May the thoughts and prayers of my family be with you and yours at this time. During my military career and upon returning home for a visit, I recall the many times your father would offer encouragement to me and speak about my service. I was always humbled by his comments, and I honor his individual service to our nation as a veteran. May you find solace and comfort of him now resting in peace from the labors of this life and his glory in the next. May his love be always in your hearts.

With deepest sympathy,

Hampton H Hart, Jr and Family

Our prayers 🙏 and thoughts are with you all during this time. I thank God for his word and I believe that your Father and my cousin is just asleep in the Lord, he is resting in the arms of his Savior and Lord Jesus Christ.

Please be encouraged and know that you have love one standing in the gap praying for you.

We love you and remember weeping may endure for a night but the Joy of the Lord cometh in the morning.
