“ Rest in peace, glory and grace Ms Wanda. I will always have Seaworld memories of your visit to San Diego and our private moments of laughter and being fellow October birthday mates with you. The beautiful plant you sent me, now lives through you. You are truly a blessing in my life.

“ Missing the life of the party, the one confidant you could share anything with no matter how big or small. Missing “ I am my sisters keeper”! That one who found humor in all things and the one who could pick the perfect greeting card with words just right to put a smile on your face. Wanda I thank you for allowing me in your space, you opened your heart and shared your family with me. I am grateful to have known you, to have shared time with you and laughed and cried with you.... You will be sorely missed, may you dance with the Angels in Heaven!

In love,
Tonja
