“ *I am blessed to have known Wanda for the short time that I did as her most recent case manager. She has touched my life in more ways than one, and she will be missed. I extend my deepest sympathies to the family, and I pray that you all find peace. May the soul of Wanda rest in power with our Heavenly Father.*

Lord have mercy upon her soul. Wanda was a client of mine , a friend and a community speaker that had just recommited her life to a new way of life. Her smile , laughter and storytelling inspired so many. She was just starting to live. I am genuinely shocked and saddened by her death. May she rest in peace .May her family and friends find solace. God bless everyone who's lives she touched . What a true blessing💖
