“ *Our heartfelt condolences to Wanda's family. As part of the Grace family, Sis. Wanda was a beautiful person with a generous spirit who was always helpful and supportive. She loved to laugh and tease and was very considerate of the needs of others. When we moved into our new home, we were so very blessed when Wanda and several of her Glenarden sisters met in our home to rehearse a dance to Break Every Chain that they ministered at a women's function. We are saddened at her loss and will keep her son and family in our prayers. Purcell and Cheryl Conway*

“ *My sincerest condolences and prayers for the family of Wanda Wheeler. She was such a sweet, kind, and spiritual person. I could always call on Wanda when I needed prayer because I knew that whatever I was going through, her prayers saw me through. I'm going to truly miss my prayer warrior. I will also miss spending time with her at all the wonderful spa trips to Bedford Springs that she planned and organized with her Virtuous Women's Ministries.*

“ To the family of the beloved, God-fearing, sweet-spirited, talented & gifted woman, Sister Wanda, we send our condolences, prayers and thoughts to you during this time. May the peace and comfort of the LORD be with you. He will be faithful!

*Sister Wanda was an amazing woman in so many ways! It was a blessing to behold her excitement when it came to do things for God's Kingdom and His people! In all humbleness, she took pride in all that she did for God's business. Her creative mind would always add to any occasion of making things, such as events, better. She left her mark in pretty much every ministry within the church. I am grateful for her mark and assistance in the liturgist ministry, evangelism ministry, and marriage ministry, to name a few. We were blessed to have her at Grace UMC for the many years that she served, "with her whole heart," to the glory of God!*

*A short story to share...we had this special greeting that we would use when we saw each other. We (Wanda, myself and Liz Colbert) had to come up with an empowering word to describe each other that began with the person's first name...so something like this..."Great morning, "warm-hearted and wise" Wanda!" With that said, "Wanda, you were a WONDER" and you will SURELY be missed, beloved! You will forever be celebrated in my heart! And one day, I expect to see you, again!*
