“ *William, a member of the Federal Protective Service Police was a proud member who was always willing to go the extra mile. Who service with honor and dedication to his community and his family. I am proud to have serviced with him as we stood shoulder to shoulder to root wrong doing. He had a sense of humor that would cause you laugh but when it time to be serious he would be that too. William will be missed by all who met him as he was a good and outstanding man. to the family my condolence go out to you as you go thru this difficult time.*
