“ *Some may say cry when they are born and be happy when they leave. I can't, I am broken. Some may say you don't have to talked to your BBF everyday to be BBF, Well we did. If I could only here him say "what r u doing" and I would say "nothing what r u doing". Some may say you don't have to see your BBF often to be BBF, well we did. We play cards every week. Bid Whist sometimes but mostly Tonk with my husband, my daughter, her husband, Andrea and a few more for hours. We always told each other where the other one was. On Oct 19 I had not heard from him so I texted the Boyz. I was told it was too late and he was gone. I was wondering where. When I finally accepted what I was being told I lost it. The tears would not stop I was broken. My Pretty Rick (that' was what we called him), went to be with his love Shorty. I loved that MAN. Next time. I see you I will have a deck of cards in my hand*
