“ My sincerest condolences to the Family of *Willie Calhoun*. I worked with Willie for many years at HUD and FEMA. We retired within a few months of each other. He was my Buddy!! We didn't talk regularly; but, when we did, we'd spend hours reminiscing about the good ole days at work and he never failed to acknowledge my family. He was so funny and boy could he tell a story --- I would help him gather his thoughts and he would correct me or jump in if I left something out, LOL!!!! His laughter was contagious ...I'm really gonna miss my Buddy and I thank you Sharon for sharing him with all of his FEMA colleagues and friends. Always classy, always the gentlemen and knew how to make his way around a room. Everyone knew Willie -- even when the FEMA Retiree Lunch Bunch would meet for lunch, Restaurant Owners and Maitre d's called him "Commisioner Calhoun" --- he was no doubt the "big shot" amongst our group and we loved seeing him in his element, Loll!!! May the Lord bless you Sharon (and the entire Calhoun Family) and bring you sweet peace and comfort as only HE can.

*Much Love ... Janice Lewis*
