“ In deepest sympathy and love to the Anderson family. I remember our dearest Mother Anderson for her kindness and generosity to many (even me and my son) but especially my mom one of her closest friends and neighbors. They use to talk all the time, pray together and share the Word of God together. They also looked out for each other's children. They shared special events together dining and exchanging gifts together. They were definite sisters in Christ. Our dear Mother Anderson will be missed. God bless all the family, friends and others that she touched.

Love and prayers,
The Maxwell Family
