“ I’m one of the blessed and fortunate ones who had the opportunity to know Ma Yvonne, she was so good to me. I became the husband of her oldest child. The first day I met her she let me to how precious Lonie meant to her and how important family is. When we would speak she would call me as King. The family favorite holiday is Christmas they always share past time & gifts. Having have her daughters at her side meant the world to her, she would share with me that Lonie was her rock and Cassandra remind her so much of her self the way she coordinated her style and fashion. She would also spend her pass time at the casino. I remember one birthday we all went to the casino and she had a nice streak going and everything she win she would look at me and say that’s real talk. I’m really going to miss her she was so vibrant and adorable, she will always be in my heart with much love your son in law Thomas Perry.
