“ *Our family did not learn the passing of Tia until 2017. We were heart broken of the news. Tia use to live upstairs from me in Hickory Hill apartments. She worked for my spouse on Georgia Avenue doing hair. We will never forget your smile and laugh. A from Annette & Vernell Charity*

“ My goodness! I have just found out about her death, literally just now. I was wondering why I her phone wasn't on. I was wondering why I hadn't heard from her. Now, I know. I am deeply saddened by this. I first met Tia in class; although, she was very discrete, I was intrigued by her. We became friends and she was very wise. I remember this conversation we had about how she was changing her life and getting closer to God. I feel good to know that she believed and Jesus and acknowledged him as her Saviour. I'm really going to miss you Zontia. I really am. Zontia was a beautiful woman. Until next time Tia! 💜 crazy Brittanie D.

“ I'm speechless I last talked to Tia she was telling me to come to her wedding and I'm sick to my stomach I couldn't make it I was to start CDL school I then found out while on the road training that one of my best friends left to be with the Lord Tia and I didn't talk every day but when I needed her or she needed me we were a phone call away ...

“ My heart is heavy and my mind is flooded with thoughts and wonderful memories of years spent with Tia. She is one of my closest friends and her smile and spirit will remain with me always. To think I was only with you a few weeks ago and now you're gone from my grasp.. I wish our last visit would've lasted a little longer and our hugs good bye a little tighter. Apparently your work here on Earth was done and the good Lord called yet another one of his angels home. Rest in peace my friend and I'll see you when I get there. Love and comfort goes out to the family during this difficult time.

“ Although she was an in-law she was like a little sister to me. She always greeted me with a smile and she made me part of her life by allowing me to sing at her wedding. I am honored to sing for her once again at one of her glorious days of celebration.
I love you Tia.
